God is up to *something* at CUCC...

Open and Affirming

Connected by our love of God and neighbor, we strive to be a community of WORSHIP, WELCOME and JUSTICE. Stemming from our Sr. Pastor, everyone, everyone, EVERYONE is welcomed and encouraged to bring their whole self to chruch. We do not check our doubts, questions and vulnerabilities at the door but are encouraged to be our self, for we truly believe that we are better together.

We're Hiring

Do you see yourself working and growing with an exciting and supportive team at a church with a bright future? We are seeking a full time youth director for our growing congregation.

This is an amazing opportunity for the right person to lead a team of gifted and loving volunteers, and to model a holistic and relational approach to life and ministry. Our youth are looking for someone who can create safe spaces to explore who they are and how their faith matters. We wholeheartedly welcome entrepreneurial creativity, as we are open to change and making course corrections along the way.

And so, if you feel called by God to serve amongst a warm, ambitious and accepting church family, let's talk and discern about what God might have in store for us all!
