"Committed to empowering God's people for action in their lives, community and the world."

Grace United Church of Christ is seeking an anointed **Praise Team Leader/Teacher** with knowledge of the Word of God and a variety of music genres with emphasis on hymns and gospel (traditional and contemporary).

Experience isn’t our main priority, however having an authentic anointing is. We are a quaint congregation that praises God unashamedly and the music ministry is an important part of our worship.

This position can fit into any existing work schedule and the compensation is fair, but there’s room for negotiation. The inquiring candidate must be able to rehearse one to two hours a week with the members, keyboard player and drummer. The person must also be available to lead the Praise Team during Sunday worship. There might also be opportunities for other events.

If the Lord is leading you to Grace, please call Rev. Melody Seaton at 773-550-1681.
Resumes should be sent to revseaton@grucc.org.
