

Little Home Church by the Wayside, United Church of Christ
32W128 Army Trail Rd., Wayne, IL 60184

Is looking to employ two **Sunday School Teachers**

Position would require successful candidates to prepare lessons for 1-10 children of preschool and early elementary school age. Due to our size and unpredictable attendance we have been employing a one-room-schoolhouse model and using the Deep Blue One Room Schoolhouse curriculum published by Abingdon. Applicants would be required to pass a background check.

The position would pay \$25/week (per teacher). Time commitment would not exceed 90 minutes per week, including preparation. Children begin in worship and leave for Sunday School after the children's message, so class time would routinely last less than one hour. Start date would be September 16 and conclude May 19.
