March 11, 2022

Greetings to our Western Association Churches! Your Western Association Council is excited to announce the renewal of our Leonhart Fund grant program. The Leonhart Fund grant is available once again and the timing could not be better as we all begin to re-emerge from the restrictions of COVID and re-imagine what ministry looks like and how church is experienced in our settings.

The Helen Leonhart Fund originated with a generous bequest which provides annual grants to provide assistance with funding new projects, ministries, and initiatives in our Western Association congregations and related church ministries and organizations. Many churches in our Association have applied after identifying needs in their communities to which they creatively responded with assistance from this fund. Now is your opportunity to do likewise and discern how your congregation might be able to live into new callings and serve in your communities with the help of additional funding through the Leonhart Fund. You can find additional information on this fund and its origin on the Illinois Conference website www.ilucc.org

Because of the two-year pause in this grant program, we have revised the timeline for the 2022 Leonhart Fund grant cycle:

- March 27th: New link available for Leonhart Fund application at WA Spring Meeting and on Illinois Conference website. Hard copies of all information will also be mailed to WA congregations on this date.
- May 15th: Applications due
- May 21&22: Leonhart Committee meets to discuss & make recommendations (via Zoom)
- May 22nd: Western Association Council Special Meeting (zoom at 3 p.m.) to act on Leonhart Committee recommendations. Grantees notified immediately.
- May 23rd: Checks requested from Conference Office.
- Fall Meeting: Grantees introduced and will offer presentations on how they used the funds.

As you begin discernment regarding your application, it is important to highlight that these grants are specifically intended to be used as seed money for a new project that your congregation is envisioning and imagining. We cannot wait to see the new ways God is leading and calling you in your ministries!

With peace and grace,

Your Western Association Council Leonhart Committee:

Rev. Santina Poor, Moderator of Western Association

Melissa Williams, Vice Moderator of Western Association

Ursula Webster

Bob Tallitsch
