

4. What is the purpose and what are the expected outcomes of your project? How does this relate to the mission of the Leonhart Fund?
5. Provide a detailed description of your project. Please include timelines, structure of your plan, and background on why you chose this project.
6. What is your estimated budget for this project? How did you determine this budget?
7. What, if any, other sources of funding are available for this project?
8. Who will oversee this project and how will reports be provided? What are your 'in-house' mechanisms for accountability, setting & meeting benchmarks, and reporting?
9. What additional information would you like the Leonhart Fund Grant Committee to know about your project?

I understand that if this project is funded and subsequently abandoned, unused funds will be returned to the Western Association.

I understand that this application has been reviewed and endorsed by the governing board of the congregation or organization making this application.
