

# Keep Us Posted

We realize that changes at your churches and communities are happening on a fluid and face-paced basis right now. Please keep us posted!

**Please let us know:**

- Have you cancelled worship?
- Are you live-streaming or posting a recorded message, and how can folks get to it?
- Have you cancelled other activities and/or closed your building?
- Are you offering/housing services to support your community during this time of crisis?
- How are you creating avenues for and encouraging continued congregational giving?
- Is there something we, your Illinois Conference Staff and Leadership, can do to support you?

**Please email Interim Conference Minister Rev. Justo Gonzalez and your ACM with information, as well as share on Facebook.** We plan to maintain a comprehensive list of church closings and electronically available worship experiences on the Illinois Conference Facebook page. And we will continue to share information that comes in to assist and resource clergy and congregations.

Please know we are praying for you, and we are here for you.

Blessings and Peace,

The Illinois Conference Ministry Leadership Team

It's a fact: people don't mind scrolling to read an email, as long as it's relevant and interesting. Make sure your message follows through on the promise in your subject line, and use several short paragraphs if you have a lot to say. When in doubt, challenge yourself to write less and add links that support your topic.
