Copyright Concerns for Ministries

Live Webcast by UCC Insurance Board
September 29, 2021 at 2:00 p.m. EST

During these challenging times, ministries rely heavily on the virtual environment and various electronic mediums to share the printed forms of inspiring poetry, quotes from prayer books and daily affirmations, as well as words from songs during worship and through other forms of ministry. As a result, some ministries have been shocked to discover they are actually in violation of copyright infringement; join us as Heather Kimmell, General Counsel, United Church of Christ, offers valuable information on how to help your ministry avoid this situation.
