

Illinois Conference UCC Mission Project

United Church of Christ

In coordination with Illinois Conference Disaster Ministries we will assemble Church World Service Emergency Clean-Up Buckets at the Celebration event in Peoria on Saturday June 18, 2016.

Emergency Clean-up buckets are used throughout the US and around the world for areas where flooding, tornadoes, earthquakes and hurricanes have occurred.

Till then, we need you and your congregation's help to raise and donate money. All the money collected will go toward the purchase of supplies and shipping costs.

Donations can be made through the Conference website www.ilucc.org

Or by check payable to the IL Conference UCC, with Disaster Buckets in the memo line. Please mail donations to:
