54TH ANNUAL CELEBRATION JUNE 8 - 9

RESOLUTIONS SUBMISSION

Executive Board will meet on May 9, 2018 and will be examining all Resolutions to determine that they have been properly submitted. The 100 signature petition type emergency resolutions will be severely limited to those that could not have been contemplated by the May 8, deadline. In past years we have accepted emergency petitions that were not an emergency to anyone but the folks who didn't get around to it sooner. This isn't fair to the delegates who don't have proper time to study! So:

12:00 noon, Tuesday, May 8, 2018 is the deadline for Associations, Congregations and Committees to submit resolutions to the Illinois Conference Office at e-mail ilconfnaomi@gmail.com in order to be placed on the agenda for the 2018 Annual Celebration.

Electronic submission (Word format) are preferred, but paper submissions are possible. Contact your Associate Conference Minister for assistance.
