

Planning for an Active Threat to a House of Worship Training

Advocate Condell, Good Shepherd, and Sherman Hospitals in collaboration with Lake County Sherriff's office will provide a free training to aid Houses of Worship in the event of any threat. Houses of worship on average are safe places, but shootings and threats at houses of worship does occur every year across America. Come learn about how you may protect yourself and others at the house of worship. **This will be a six-hour session.**

This training will be beneficial to ministers, staff, and volunteers.

The training will begin promptly at 9:00 a.m. and will conclude at 3:00 p.m.

**Friday, February 9, 2018
Grainger Auditorium • 100 Grainger Pkwy • Lake Forest, IL
Check-in begins: 8:15 a.m.**

Topics covered: Active Threats, Hometown Security; Vulnerability Assessment and Planning; Recovery and Planning; and Run, Hide and Fight, A.L.I.C.E. Model

Space is limited! Registration is required by January 29, 2018 to: maria.martinez1@advocatehealth.com include name, email, phone, and congregation information.

Registration will close when maximum attendance has been reached.

Continental Breakfast and Lunch will be provided.
