

The United Church of Christ's Faith Formation Team and Glenview Community Church
Present:

An Inspiring Model of Ministry: Spiritual Life Teams

Many people have life transforming God experiences but they rarely share them with others. During this Inspiring Model of Ministry, you will have the opportunity to observe a Spiritual Life Team in action as they learn to identify & share God experiences and learn to pray out loud together. You will also have time to reflect on how to bring this type of program to your own ministries with the program's founder, Rev. Bobbie McKay. Ph.D, an ordained minister in the UCC and a licensed psychologist.

Who Should Attend? Clergy, Faith Formation staff and volunteers, Adult education committees. Really, anyone interested in learning about spiritual life and the powerful effect of God becoming "real" in the lives of individuals and congregations.
