Sharing Stories, Changing Lives

AIM Conference - A Virtual Event - October 7, 2020

As people of faith, we know how stories carry the meaning of life, the power of what is true for us. We hear and tell ancient stories of scripture and bear witness to each other about how we experience God.

Where is the power of story in your ministry? How can stories change perspectives, draw us together, reduce conflict, and help us care about one another?

Sharing Stories, Changing Lives

AIM Conference - A Virtual Event - October 7, 2020

The Association of Interim Ministers (AIM, formerly ATiIM) has moved its 29th Annual Conference from Starved Rock Lodge and Conference Center to a Virtual Event via Zoom!

“Rebecca Anderson led a fantastic 3-day storytelling workshop for our congregation which culminated in a storytelling event with 7 first-time storytellers and over 60 in attendance.... Her clear passion for the value of storytelling is itself inspiring, as is her ability to encourage apprehensive storytellers while simultaneously offering critical feedback gently. A master storyteller herself, her passion for drawing out the transforming stories within us is evident in all she does.”

— Rev. Michael Karunas, Central Christian Church, Decatur IL
